Senior Class History

IN 1950 the class of '54 was just learning how to work as a unit. They held a bake sale and chose their class colors.

During the Sophomore year the class of 1954 began to feel stronger and took a greater part in school activities. This was their biggest year. Under the leadership of Mr. Dembrow they held a St. Patrick's Day Square Dance, a paper drive, and a bake sale. For recreation, they held a Christmas party in the cafeteria instead of in separate homerooms. They held their first annual Spring picnic at Buffalo Municipal Park in Angola.

In the Junior year, the class of 1954 co-sponsored the first annual Junior-Senior Ball and also began the Sadie Hawkins Dance. The biggest event in making them feel closer to their graduation was the choosing of their class rings. Instead of the usual type of initiations administered to the Juniors by the Seniors, the two classes participated in constructive initiations to improve the appearance of the school.

In September 1953, the Seniors returned to ACS for the last time to begin their Senior year. The first step toward graduation was the fitting of caps and gowns. Later they sold Christmas cards and refreshments at basketball games. Again the group sponsored a Sadie Hawkins Dance and they hoped this established a tradition. The Seniors sponsored the annual school play MY COUSIN FROM TEXAS. In May they co-sponsored the Junior-Senior Ball with music furnished by the Hotel Statler. Commencement was the culmination of all the years spent in elementary and secondary school.

My Cousin From Texas

IN February the Seniors presented the hilarious comedy, MY COUSIN FROM TEXAS. Practically all roles were main characters in the play and things became so muddled that everyone wondered how it all would end. However, the final curtain brought satisfaction to all. Peaceful and Eschew, played by Sue Zimmerman and Daniel Bulmahn, were particularly funny. The entire action of the play was the living room of the Scott home, located in the suburbs of a large city.

THE school year 1953-54 marks the fifth year that the district schools have been in operation under the Akron Central School System. There are now ten of these schools operating with a total enrollment of 247 in grades kindergarten to six inclusive. Nine of these schools are one room schools and the tenth, Sand Hill Branch, is a two room school. The enrollment in these one room schools ranges from a low of 16 in the N 8 Branch on South Newstead Road to a high of 32 in the R 7 Branch in Wolcottsville.

Every attempt has been made to offer the children in these branch schools the same advantages that the boys and girls in the central building have. Teachers of art, music, and physical education have been assigned to these schools on a regular schedule. The children have physical education twice a week; music twice a week and art instruction every other week. The school nurse makes periodic visits to these schools. She is also available on call by the branch teachers.

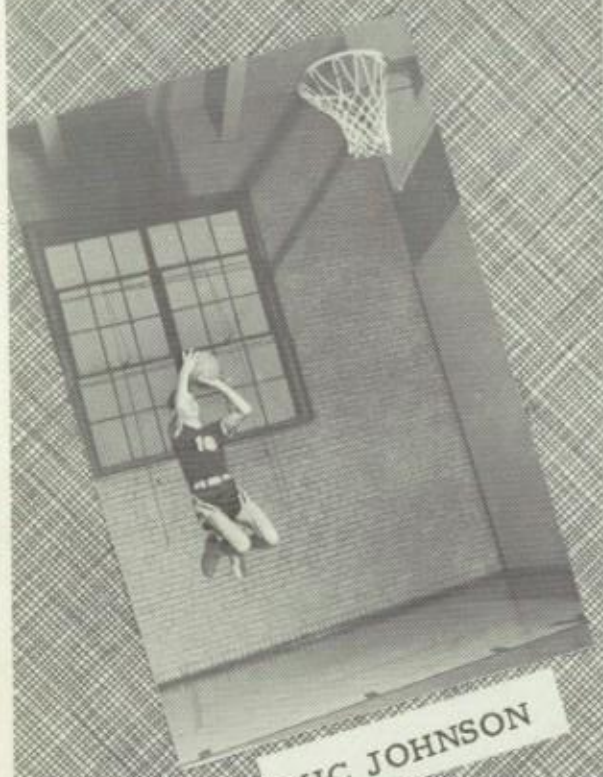
Kneeling: V. Johnson, Co-Captains: L. Clary, D. Bulmahn, J. Randazzo.
Standing: Coach Adolph Kapuza, L. Nanni, D. Packman, T. Bates, R. Cheavacci, L. Wunderlich, P. Kohler, B. Burke, J. Kelkenberg



VIC JOHNSON

JOE RANDAZZO

COACH Adolph Kapuza's basketball team, winning 7 and losing 7, achieved the best record of any Akron team in many years. It was the first time in the past 13 seasons that an Akron squad has won half or more of its games. In the Niagara-Orleans league, Akron had a won 5-lost 5 record, three of those losses being by only a single point. The fact that there were six other 1-point decisions in the league indicated how evenly the teams of the league were matched.

Next year's team will be out to better the 1953-54 record. With holdovers from the varsity and additions from the J.V., next year's squad may accomplish this feat. But it will be difficult to replace Dan Bulmahn's tap-ins or the superb set-shooting of Vic Johnson and Lenny Wunderlich. Certain to be missed will be Ray Cheavacci leaping high to snatch a rebound off an opponent's backboard and Joe Randazzo driving in hard to swish the ball through the net. Gone also will be Bill Burke's 'all-around" ability to fill in at any spot, and Don Packman's hustle to keep the others on their toes.

DAN BULMAHN
